

MESSAGE FROM THE BOARD

By: Brad Scott

As the end of the golf season approaches, I look back and reflect on what a great golf season we had this year at the SHORE! Tournament participation was at an all time high, members generously donated to improvements to our club, and the weather (for the most part) was great almost every weekend even into the end of October!

Thank you to the West Shore Staff for giving their very best to make our golf and social experience a great one. Thank you to all the members of West Shore for your continued support and generosity. Thank you to the Board of Directors for your hard work by continuing to move the club in a positive direction.

We had our annual membership

meeting on October 10th, and had very good suggestions from our membership on things that can make your experience at West Shore a better one. I encourage the membership to please, let the Board know if there is something you would like to see improved, or if you are interested in donating your time to projects at our club. I also would invite members to attend Board meeting and stay active in our club.

On behalf of the West Shore Board of Directors, and the entire staff we wish you and your family a Happy Thanksgiving, and a Happy and Safe Holiday Season.

Bradley Scott
Vice President

November Birthstone

• Citrine •

The first uses of **citrine** in jewellery can be dated back to the Hellenistic Age (323-280 BC) in Greece. At one time it was used as a talisman against alcoholism, evil thoughts, overindulgences, scandal, libel, and treachery. Some also carried it as protection against plagues, epidemics, as well as venomous snake and reptile bites.

NEW YEAR'S EVE

HAPPY BIRTHDAY

December Birthstones

Blue Zircon • Tanzanite • Turquoise

Since the Middle Ages, **Blue Zircon** has been believed to aid in spiritual growth and to promote wisdom. Those who wear blue zircon, it is said, will find beauty and peace.

As a relatively new gemstone, **Tanzanite** does not have any mythical or mysterious powers associated with it. But what it lacks in history, it compensates with beauty in its deep blue and purple tones.

Turquoise attracts money, success and love. Its powers include protection, healing, courage, friendship, and luck. It relaxes the mind, and eases mental tension.

Guys & Dolls Couples League

Another successful Guys & Dolls couples league was completed with a banquet, held on Tuesday, August 29th. This year's Champions were Joe and Linda Wilson (yes, the parents of 😂 Joey).

A contest was held on the putting green for a cash prize and a dozen golf balls. The combined shortest distance per couple won. The winner was Joe and Linda Wilson (yes, the same parents). No wonder they won the league, showing great putting skills, under pressure and harassment from the viewing crowd. Second place was awarded to Mike and Robin Sanfilippo, who was edged out by inches.

The trophy for the most dedicated, hard working couple was awarded to Paul and Julie Gloor.

Cash was handed out to all who won the various games during the season.

A pasta station that any Italian would have approved of was prepared by David Graham. Everyone had their own personal choice of the many ingredients they wanted on the different types of pasta of their choice.

I would like to thank David Graham and his staff, and Joey Wilson and his staff for making this a successful league.

I would personally like to thank everyone who participated in making this a fun time, which is why West Shore is such a great place for all. I hope to see everyone back next spring.

Thank You

Mark Enright
BOD President

2017 Cops Non-League

The annual 2017 Cops Non-League banquet was held on October 4th. This year was different as the Men's 9 Hole League, under the direction of Jay Genaw, joined us for a combined dinner and golf match.

Team Captains Mario Ferrante and Rick Miles, who represented their leagues, agreed to a golf match prior to dinner. This event consists of a match play tournament. After many days of studying the golfers handicaps, the teams were selected. The winner was Mario Ferrante's team with a score of 22-11. Captain Ferrante accepted the trophy with joy. He was seen hugging the trophy many times during the evening.

The winner of the Cops Non-League was first time recipient Tom Rogers, who received the victory plaque. Tom's putting was unbelievable from any place on the green. Tom was challenged by many, but no one could catch him in points.

I would like to thank Joey and his staff for all the hard work, and making my job a lot easier.

Thank you to David Graham and his staff for the great service. The banquet food was off the charts. Thank you to Jim Houston, the course was the best that I have ever seen it.

For all golfers in both leagues, thank you for participating. I hope to see everyone back next year.

Thank You

Mark Enright
