Our Number One goal for the Junior Golf Program at WSGCC is to learn about the game of golf, and to have fun doing it! This includes learning how to play the game of golf while also learning proper etiquette on and around the Golf Course. **Using proper golf etiquette includes Behaving Responsibly on the Golf Course and Being Safe around other Golfers.** Treating the golf course, and other golfers, with respect keeps it fun for everyone! Proper etiquette ensures a safe and enjoyable environment for all players so we can all HAVE FUN while playing the game of Golf at WSGCC!!

ON COURSE / CLINIC RULES

2. Children over 14 years of old may play on the course by themselves but GOLF CARTS CANNOT be driven by Junior Golfers. Carts can ONLY be used by Adult Volunteers.
3. The adult(s) in each group is responsible for proper etiquette, safety, and control of The Junior Golfers in their group.
