FEBURARY GREENS UPDATE

1. GOLF COURSE UPDATE

- A. Tree removal is complete! 68 trees removed in total. This number includes 20 small hawthorns, 24 dead/dying trees, and the remainder removed to promote turf health and the golf experience.
- B. This week we will grind all the stumps and a 50' man lift has been rented to do some much-needed pruning.
- C. Cleanup of stumps will be extensive and take some time. Some seasonal labor to return in early March to assist.
